

GANNON UNIVERSITY

We are excited to hear that your team is interested in attending our Team Shootout. We are offering two separate shootouts this Summer. One will be on **June 5th** and the other is on **June 30th**.

We offer three sessions each day (morning, afternoon and evening) and each session will guarantee two games per team. Every court will have certified officials on June 5th and our players will be officiating the games on June 30th. You can register your team for sessions on just one day or you can attend sessions on both Team Shootout days. Completely up to you! Costs for the sessions are listed below:

- 1 Session (2 games) \$160
- 2 Sessions (4 games) \$300
- 3 Sessions (6 games) \$420

We will also be hosting an Elite Camp for all High school players on June 19th. Cost is \$75 per person. Throughout the day, we will complete skill development drills that we do often with our current student-athletes and players will be able to leave with a great understanding of what it is like to be a Student-Athlete at Gannon University.
